Each and every day, the important work you do demonstrates that you are a leader in effecting change in our community, making it a much better place for all of us. These three words - Empower, Strengthen, Transform - describe WHAT you do as a fundraiser and WHY you do it.

When you give to the BE the CAUSE Campaign, benefiting both our chapter and the AFP Foundation for Philanthropy, you are investing in the future of our profession and advancing philanthropy for the greater good.

If our chapter reaches our campaign goal of $1854, we will receive 35% of what we’ve raised as a grant back to our chapter. So the more you give, the more our chapter gets back to support our educational programming and provide scholarships that benefit our members.

I am thrilled to report that our Central Illinois Chapter Board Members are leading the way with 100% participation in the campaign. We are already over 65% of the way to our goal and are asking our members to take us the rest of the way!

As an AFP member, you continually demonstrate your commitment to professional education, leadership development, and ethical and effective fundraising practice. When you make a gift to the BE the CAUSE Campaign, you are investing in the profession’s future and advancing philanthropy. You are part of something that really matters! If you would like more information, please visit afpfoundation.org/bethecause or contact me with questions at kberchtold@southsideofficeofconcern.org or 309/222-2751. I’d love to hear from you.
